Bagagli Dining Table ©

The "Bagagli" (*Bah-gahl-ye*) Dining Table is hand crafted in Southern California. This piece was inspired by the earlier part of the 20th Century's design and quality found in classic traveling trunks. With its fine details of stepped metal framing, visible bolt heads and exotic wood top offerings, this table reflects a sense of understated worldliness.

dimensions

78" L x 44" W x 29" H (without leaves)
102" L x 44" W x 29" H (with two 12" leaves)
